OF ALL DESOMINATIONS at best market rat

The beautiful college town of Hudso one of the pleasantest and most pleasantly cated villages in Northern Obio-was of Saturday the scene of an animated and exiting bese-ball contest between the Fore ty Club of this city and the Reserve Clu Hudson Callege. The match a fortnigh go between the Cleveland High Scho lub and the Grammar School Club of Hudson had awakened considerable base-E. J. FARMER & CO., ude to the condict between the senior ganizations which came off day before to his freedom from debt. In the village, a 7-30. AND 10-40

esterday. The Forest City Club was the paster seldent receives as much as an en hallenging party, the challenge having been sent on the oth inst, and immediatel Toe Cleveland boys, accompanied by imber of friends, left here on the 8 . u. Pittsburgh train, arriving in Hudson at 2.00, and being cordially greeted by a delegation from the College Club. The natch came off at half after one r. M., play being called promptly at that hour. Bet venther could not have been asked for, sun ind cloud and wind all combining nake the day the pleasantest of the mouth The Hudson club won the choice of innines and took the field, the Clevelend boys going to the bat. A large number of spects ers, including many ladies, as well as sev eral speciacled and dignified college Promors, were present, and watched every phase of the game with an excited interest

atta out of proportion to their knowledge f the game. In the first innings the powerful and exeful batting of the Clevelanders secured any congregation, added to the ministers sal- his het. Half the way half the way half the way half hem an advantage which the colleiana labored in vain, throughout the whole match, to overcome, this innings, too, the fielding of the Reserve lub was by no means equal to that during servousness common and trequently fatal paster who receives gifts sacrifices, more or o clubs in playing their test match game. less, his independence. He should be heard As a result, Cleveland scored 17 tallies before going out, while Hudsen in its first for what he says and does, without any cominnings made only 3. During the next mittals to favor or forbear to censure or conhree innings Hudson steadily gained, and demn, by the influence of gifts. If we were ## For Evening Edition News at the end of the fourth were but 6 behind the Forest City. The fifth and sixth For Morning Edition News innings resulted favorably to Cleve- gregation, no matter what its sta us, its land. The seventh was a whitewash for piety or its wealth. both clubs. The eighth, which by mutual agreement was the last, added seven to the ere of each, and the final result stood :

orest City, 10; Reserve 26. The game occupied three hours and three sarters, and was, by the unanimous judgent of the spectators, an excellently play edone. Had it not been for the advantage gained by Cleveland in the first innings sefere the Hudson boys had conquered their ervousness, its issue would have been very doubtful. The batting of the Clovelander was generally conceded to be superior, while the collegians excelled their opponents in fielding. Professor Barrows, the catcher of the Hudson club, was frequently applicaded or his excellent play, while Mesers, Kennan nd Bolton also won golden opinions. The playing of the Cievelanders was so even that we shall not attempt to designate any for

earticular praise. The umpire, Mr. J. M. Fisher, of the Penfield Club of Oberlin, was universally comnended for his promptitude, accuracy and denation. It is high praise, not only to him but to the contesting clubs, to say that none of his decisions were for a moment questioned Indeed the whole game was conducted in a spirit of courtesy and fairness highly honorable to both organizations, and which will, we are sure, be held by both in the kindest Bay Light House, saw a white fore and air

After the game was over, the Forest City lub, by an invitation of the College boys, epaired to the College Chapel, where a plendid supper, prepared by the young edies of Hudson, and over which some of and hungry henses of the day. Its excelence was well attested by those who purtook of it. Speeches and songs-college takes place at Brainard's Hall this eveningnd the time passed quickly enough until alf past seven, when the Cleveland train was due. The victorious party was accommaied to the train by their foes, now transrmed to friends, and were bid farewell with ringing cheers, responded to from the rain. The Ferest City Club come back to teir homes well convinced that the boys of Hudson college, though they might be van quished at base ball, could not be surpasse courtesy and good feeling.

SATURDAY EVENING, June 16, 1866.

The highly important intelligence from

from the public mind that war must occur,

FINANCIAL & COMMERCIAL,

trade and industry. In this market to-day there was no es ential Increase in business, but there wa ore inquiry after the receipt of Eastern ispatches, chiefly for wheat, and some lite speculative feeling was manifested. Fer to. I Spring holders demanded a very deided advance, based upon dispatches from Milwaukee quoting the price at \$1.99, and at the close the asking figures 52206.223 fur report from Milwaukee to night quotes 48263, with a firm market, at which price wheat could not be laid down here short of \$2.26. The stock here is not large. For ther varieties there was less inquiry, but A Mackinen, Col D Smith, Cia G W Bingham, Frankli N B. Myers, Major W D Feitseman A Townsend, Cleveland H Binkhingham, city O L took, Detroit. od winter were fully 10c better than yesterlay. Flour was quiet, but very firm, and though we cannot report any change in prices, an advance on Momlay is quite probable. Corn was without much inquiry, but firm. Oats were in moderate request at an

advance of Ic. In provisions a fair business was done. and prices of pork advanced after the Eastern reports \$1.00 per bbl. on No. 1 and No. 2 mean and clear, and \$2.60 on takes great pleasure in informing all the are mens. Smiked Meats, Lard and Mess by Strick land a Pile Remarky, and it effected.

reviously reported. Highwines are firmly reviously reported. Highwines are firmly eld at \$7,23. Pefroleum is in very little aquiry, but refiners maintain full figures. In Woodfloral dealers are not yet doing tuch, but we hear of considerable purchases in the interior by agents of Eastern homes in the interior by agents of Eastern homes. held at \$2,23. Petroleum is in very little aquiry, but refiners maintain full figures. auch, but we hear of considerable purhases in the interior by agents of Eastern
arties, and the demands from this interest
a hank indicate a fair activity in this line.

The condition of the clip is, we learn, very

No. 142, 144 and 146 Chiarie street, The condition of the clip is, we learn, very much improved upon previous years, and omises to be still better. Prices range om 45 to 50c, with occasional exception or very choice lote at 520253c. There is generally represented to be a good dispose tion on the part of growers to take what the market offers, and it is thought the plan of Europe this morning, announcing an aban- holding adopted last year, and which donment of the proposed conference of the proved of serious loss to growers, will be great powers, and a removal of all doubt very little practiced this year.

| fell upon financial and commercial circles in New York with tremendous effect—more decided from the fact that it was not looked for, but on the contrary public expectation favored a different state of things, as shown by the downward movement of gold on Friday, which could only have occurred as a prudential step in anticipation of a more favorable state of affairs, politically and funancially, abroad. The most marked influence was made upon gold, the price opening at 154½, an advance upon the closing | Cleveland Wholesale Market. |

contries, and it is a strong probability that

here will be a large flow of specie to this

mint; to find sata and remmerative em-

playment. It may be urged that a war will

ercs the return of our national securities,

in view of these facts, which are the most

With regard, however, to our comme

nances are in an extremely weak condi-

ion, notwithstanding the assistance fur

nished by us, and a European war may

operate to increase the difficulties, and pos-

sibly bring about another and more wide

spread disaster. English capital is very

largely invested in Europe, much of it is

enterprises that would be checked in the

upon the parties interested would in many

nstances result. All present appearance

indicate that we must continue to be ship

pers of gold in a quite extensive scale

England, and the heavy importations we

are making is an unwholosome fact that we

wish did not exist. We have, however, an

undoubted credit in Europe that we believ

of a war: and with these views we are dis-

posed to regard hostilities in Europe as

ather favorable to our prosperity that

Government securities were not influence

ed by the foreign advices, but maintaine

a firm and steady market, though perhap

less active. The lutest quotations for
